

MOR/RYPDE'S NEW PIN BOX SYSTEM MAKES TOWING SO SMOOTH YOU MAY FORGET YOU'RE TOWING.

Introducing MOR/ryde's New Pin Box System.

MOR/ryde's revolutionary new Pin Box System redefines the experience of towing a fifth wheel. Install one and forget about that harsh, jerky chucking action. Forget about excessive wear and tear on your RV and truck. Our Pin Box System provides:

- ▶ GREATLY REDUCED BACK-AND-FORTH CHUCKING
- ▶ JERK-FREE STARTS AND STOPS
- ▶ SMOOTHER, MORE COMFORTABLE IN-CAB RIDE
- ▶ CUSHIONED SENSATION OVER UNEVEN ROAD CONDITIONS

To make things even smoother for you, our new Pin Box System is available for installation in the aftermarket and installs in an hour on most fifth wheels. For more details, visit our website at www.morryde.com or call 574-293-1581.

UNIQUE SPRING ABSORBS SHOCK.

Our rubber shear spring works in a horizontal planar motion (both longitudinally and laterally) to absorb towing shock and effectively diminish the transfer of forces from trailer to truck. See our Pin Box System in action at www.morryde.com.

SMOOTHING OUT THE ROUGH SPOTS.
